REDWITZ, INC. EXPANDS FINANCIAL SERVICES

Effective August 1, 2017, Redwitz, Inc., founded in 1975 in Orange County, has officially completed the merger of the distinguished thirty-year-old firm of Link, Murrel & Company, LLP based in Irvine into Redwitz. In addition to the Irvine merger, Redwitz has completed a merger with Stewart and Company based in San Diego.

Over the years, John Link, Craig Murrel, and Terry Stewart through the CPA firms they founded, have been extremely successful in their commitment to providing and maintaining the highest level of quality in all their professional services. These firms' major areas of focus include audit and attest services, tax services, client accounting services, management advisory services, forensic accounting/fraud audits and litigation support. These professional services will complement and enhance Redwitz's current firm offerings. The addition of Link, Murrel & Company and Stewart and Company will give Redwitz an even greater depth of talent and resources to serve all their clients for years to come.

From August 1, 2017 to December 31, 2017 Link, Murrel & Company will continue to operate out of their current offices at 18831 Bardeen Ave, Irvine under the Redwitz name. Redwitz's main office will remain at 5520 Trabuco Rd., Irvine. As of January 1, 2018, all the Redwitz personnel in Irvine will be relocated to a new office in the Irvine area. As of August 11, 2017, Stewart and Company moved their office to Redwitz's San Diego office located at 4275 Executive Square, Suite 1000, La Jolla. In addition to the Irvine and San Diego office Redwitz has another fully staffed office located at 1 Almaden Way, San Jose.

Redwitz's integral membership in AGN International, an association of approximately 180 CPA firms across the United States and around the world, gives Redwitz the resources to support its clients on a multistate and multinational basis. Redwitz's full range of services provides accounting, commercial audit, employee benefit plan audit, non-profit audit, fraud auditing, out-sourced CFO services, corporate and personal tax, international tax, information technology services and support, trust services and wealth management.

"The opportunity to merge Link, Murrel & Company and Stewart and Company into Redwitz is a tremendous opportunity to expand our service offerings to our valued clients," explains Randy Redwitz, Managing Partner of Redwitz, Inc.
