

PRESS RELEASE

Date: 1 February 2019

AGN International – one of the world’s leading associations of independent certified public accounting and consulting firms, announces that Leonard Curtis Business Solutions Group, located in 18 offices across the UK has been admitted into membership in its EMEA region.

AGN International – EMEA is part of AGN International Ltd, which has 177 accounting firm members in 79 countries throughout the world. AGN sets rigorous criteria for admission to the association and provides outstanding continuing professional education and intra-member collaboration to help all member firms serve clients with excellence and maintain adherence to the highest professional standards.

Leonard Curtis Business Solutions Group is a market leading professional services provider operating from 18 locations across the UK. They are dedicated to dealing with financial and operational issues that SME owners and their stakeholders face at every stage of the business lifecycle. Their team of specialists deliver positive strategic advice across restructuring, law and finance. This range of services enables them to tailor unique solutions to whatever problem a business owner may encounter.

Alex Cadwallader, Director at Leonard Curtis Business Solutions Group: “We are delighted to have joined AGN and look forward to getting to know and working with the other members. Joining an international association like AGN is a natural step for us as we continue to expand our offering and reach globally. The association really complements our existing service lines and we are excited for the future”

Malcolm Ward, CEO of AGN International comments: “We are delighted to welcome Leonard Curtis to AGN. Not only does this give us impressive new geographic coverage in the UK, but it also brings a significant addition to our insolvency, restructuring and business improvement capabilities. We are already in discussions about further expanding these services streams internationally”
