

AGN INTERNATIONAL LTD

NEWS RELEASE

Date: 30 May 2014

Rothstein Kass joins KPMG US

AGN International Ltd is delighted and proud that Rothstein Kass, one of our members principally operating in New York and New Jersey USA, has announced a merger with KPMG. We wish to convey our sincere congratulations and good wishes to all at Rothstein Kass and KPMG.

Rothstein Kass has made an immense contribution to AGN over 18 years, and themselves have grown from \$14 to \$200 million during their time with us. They are an outstanding testament to the quality of our association.

We are confident and reassured that Rothstein Kass' people and clients are at the heart of this decision, and will be well served in the future, given particularly Rothstein Kass niche hedge fund specialism.

AGN continues to have other representations in the locations where Rothstein Kass is present. We are not anticipating any major disruption to AGN International or to our members' clients and we will give mature reflection to the need to supplement our coverage in areas where Rothstein Kass served so well.
